

# GROWING IMPACT

## *Driving Change*

Thank you

Jakob Distler GMBH

for your commitment to shaping a sustainable cocoa and chocolate future. Your efforts help to scale impact and drive change in cocoa communities. Together we make a difference!

The Cocoa Horizons Foundation is based on partnership and sustainability principles. By working in close collaboration with cocoa farmers and their communities in West Africa, the Foundation aims to improve livelihoods, promote sustainable, entrepreneurial farming, improve productivity and support community development.
